WARRANTY

1. DNA Computer Systems provides a 12 month Return to Base (RTB) warranty on all products unless stated otherwise.
2. Goods returned under warranty will be repaired or replaced at DNA Computers discretion
3. Goods should be properly packaged for return, as goods damaged in transit will not be accepted. Only the item in question needs to be returned for service (repair or replacement), and no responsibility will be taken for items such as cables, manuals, CDs or original box.
4. Altech Computers will void warranty of any product that has been mishandled, modified or interfered by unauthorized personnel. The removal of any factory seals, serial numbers or warranty stickers will also void the warranty. Warranty is void on physically damaged items.
5. Warranty does not cover damage to other equipment used in conjunction with these goods.
6. DNA Computers always takes diligent care in servicing all goods, however DNA has no liability whatsoever for any form of damage or loss of the aforementioned goods. DNA will not be responsible for any loss of data. It is the responsibility of the customer to backup data which he/she believes to be important, valuable, or irreplaceable before bringing in any goods for servicing.
7. Products returned for credit may incur 15% restocking fee at the discretion of DNA Computers as compensation for damages.
8. Any goods returned for repair found not faulty, goods with physical damage or damage caused by improper use will not be covered by warranty and the customer will be liable for a handling and service fee.
9. All relevant paperwork will need to be shown when collecting goods.
10. The goods are to remain in title and property of DNA Computers until fully paid and cheques are cleared. Ownership of products will only be transferred to the customer when all monies owed to DNA Computers have been paid in full.
